A Letter From The Editor -

Dear **Monarch Family**:

In education, Valentine's Day Week is a time to celebrate love, friendship, and the joy of having so many special people in our lives. It's more than a single day of flowers, candy and cards decorated with hearts. It's an opportunity to model friendships, support, kindness, appreciation, and communication for our little Monarchs.

Without further ado, from our Poolville family to you and yours, Happy St. Valentine's Day! Please join us in telling everyone in your heart how much they mean to you....and remember when you sign those cards how love and friendship lives on through the lives we impact.

#EveryMonarchEveryDay #Family #Future

Enthusiastically,

Jason Cheslock, Principal

*Research shows that missing 10 percent of school, or about 18 days in most school districts, negatively affects a student's academic performance. That's just two days a month...and that's known as chronic absence.

- ***Please Call The Doctor...Dr. Seuss That Is!*** – March 2nd is Dr. Seuss's birthday so we are celebrating all month long with some cool challenges. First is our ever-popular ***M&M ESTIMATE CONTEST*** in the library. When students come to check out a book, they can enter by writing an estimate of how many M&Ms they think are in the jar. Second is our ***COLORING CONTEST***. The activities here will promote the upcoming book fair. Third is our Dr. Seuss ***READING CONTEST***. Keep a log of Dr. Seuss books you read. Fourth is our ***WORD SEARCH + CONNECT THE DOTS CONTEST***. Fifth is our ***POETRY CONTEST***. Students may submit poems in the style of Seuss and earn extra contest points for their class. Sixth is an ***ART CONTEST***. Students can create their own Seuss-like character for class contest points. And last but not least is our ***PARADE***. It's our culminating activity on Dr. Seuss's birthday, Monday, March 2nd. Dress like a Seuss character and participate in the school-wide parade.
